Reign of Charlemagne

Pippin, king of the Franks was succeeded by his son Karl. This prince is known as CHARLES MAGNE (CAROLUS MAGNUS) - predecessor of the later German king.

His work has profoundly influenced all later history

Civilization and Christianity were  
extended from the Rhine to the  
Elbe.

His Saxon campaigns began the  
armed colonization of the heathen  
East by the civilized Germans.

768-814

Charlemagne

The Welsh Church (celtic) submitted  
to the Authority of Rome, including  
calculation of Easter.
